## Curtin University – Department of Computing
# Assignment Cover Sheet / Declaration of Originality

Complete this form if/as directed by your unit coordinator, lecturer or the assignment specification.

| Last name: | | Student ID: | |
|---|---|---|---|
| Other name(s): | | | |
| Unit name: | Data Structures and Algorithms | Unit ID: | |
| Lecturer / unit coordinator: | Valerie Maxville | | |
| Assessment: | Assignment | | |

I declare that:

- The above information is complete and accurate.

- The work I am submitting is *entirely my own*, except where clearly indicated otherwise and correctly referenced.

- I have taken (and will continue to take) all reasonable steps to ensure my work is *not accessible* to any other students who may gain unfair advantage from it.

- I have *not previously submitted* this work for any other unit, whether at Curtin University or elsewhere, or for prior attempts at this unit, except where clearly indicated otherwise.

I understand that:

- Plagiarism and collusion are dishonest, and unfair to all other students.

- Detection of plagiarism and collusion may be done manually or by using tools (such as Turnitin).

- If I plagiarise or collude, I risk failing the unit with a grade of ANN ("Result Annulled due to Academic Misconduct"), which will remain permanently on my academic record. I also risk termination from my course and other penalties.

- Even with correct referencing, my submission will only be marked according to what I have done myself, specifically for this assessment. I cannot re-use the work of others, or my own previously submitted work, in order to fulfil the assessment requirements.

- It is my responsibility to ensure that my submission is complete, correct and not corrupted.
